

UREGI

Committed To Quality, Committed To You

UREGI Industries Private Limited

(The ISO 9001-2015 Certified company)

About UREGI

UREGI Industries Private Limited is a growing startup company providing catering, housekeeping, horticulture, and allied support services across India. We operate as an independent contract service provider, catering to the needs of PSUs, industries, and educational institutions through well-designed service packages.

With an innovative approach and a skilled workforce backed by over 10 years of industry experience, we deliver reliable and consistent services. Our expertise covers catering, housekeeping, horticulture, façade cleaning, deep cleaning, and complete building maintenance services. We are trusted for our quality standards, professional execution, and commitment to long-term client satisfaction.

Principal Business Activities

UREGI Industries Private Limited offers a wide range of integrated support services, delivered either individually or as complete turnkey solutions, depending on client requirements.

Our Core Services Include:

Catering Services

Housekeeping Services

Caretaking Services

Security Services

Facilities Management

Horticulture Services

Catering Services

Currently, in catering, we proudly provide our services in corporate catering, event catering, and food vending carts. We are committed to delivering fresh, hygienic, and nutritious meals that meet the expectations of our clients.

We take pride in being a reliable meal service provider, and our corporate customers appreciate us for serving good quality food with a homely taste, ensuring satisfaction, consistency, and trust in every meal.

Housekeeping

We bring strong industry insight and extensive practical knowledge, enabling us to confidently execute contracts of any scale and complexity. Our experienced team is well-prepared to deliver consistent and dependable housekeeping solutions. Our areas of specialization include commercial buildings, residential apartments, offices, malls, schools, and factories. We maintain every facility with the same care and responsibility as our own, ensuring clean, safe, and well-managed environments.

Facilities Management

Facilities management, UREGI Industries Private Limited provides end-to-end facility support services designed to ensure smooth, safe, and efficient day-to-day operations. Our services cover maintenance coordination, housekeeping supervision, vendor management, and compliance support, delivered through trained manpower and structured processes.

Caretaking services

Caretaking services, UREGI Industries Private Limited provides reliable and responsible caretaking support to ensure the smooth functioning and upkeep of facilities. Our trained staff oversee day-to-day supervision, basic maintenance coordination, cleanliness monitoring, and property care.

Horticulture Services

We have a young and dynamic team of horticulture designers with a strong focus on planning, design, and execution of horticulture projects. Our expertise includes developing vertical gardens and green walls, supported by a skilled and dedicated team.

We plan, design, and implement innovative, cost-effective, and visually inspiring horticulture solutions with the support of our well-trained and experienced professionals, ensuring sustainable and high-quality outcomes for every project.

Security Services

We provide trained, disciplined, and reliable security personnel to safeguard commercial, industrial, residential, and institutional premises. Our security solutions are designed to ensure safety, vigilance, and controlled access at all times.

We offer round-the-clock security services, including access control, surveillance support, visitor management, and emergency response, delivered by well-trained staff who follow strict operational and safety protocols.

Industries We Serve

Hotels & Restaurants

Hospitals & Healthcare Facilities

Staff Facilities & Cafeterias

Educational & Training Institutions

Sports & Recreational Venues

Hotels & Restaurants

UREGI Industries Private Limited delivers its services across a diverse range of sectors, adapting to the unique operational and compliance requirements of each industry. With a flexible service model and experienced workforce, we support organizations of all sizes by ensuring efficient operations, hygiene, safety, and service excellence.

Hotels & Restaurants

UREGI Industries Private Limited offers comprehensive support services to hotels and restaurant operators, covering kitchen assistance, bar support, laundry services, waste management, and complete back-of-house operations. Our experienced teams ensure smooth daily operations while maintaining high hygiene standards and operational efficiency.

Hospitals & Healthcare

UREGI Industries Private Limited has the resources, expertise, and trained manpower to deliver catering and allied support services to healthcare and welfare facilities. Our services also include facilities management for large hospitals, ensuring hygienic, safe, and well-organized environments that meet healthcare standards.

Staff Facilities & Cafeterias

UREGI Industries Private Limited provides end-to-end food service solutions for employee facilities, supporting daily operations with a strong focus on quality and hygiene. Our services include industrial canteens, boardroom catering, and food services for training facilities, ensuring efficient, well-managed, and reliable dining solutions for staff at all levels.

Education & Training

UREGI Industries Private Limited has wide management experience and a strong support team to effectively cater to the demanding service requirements of student and campus facilities. We ensure smooth operations by delivering reliable, hygienic, and well-organized support services for educational and training environments.

Sports & Recreational Venues

UREGI Industries Private Limited has wide management experience and a strong support team capable of handling the demanding operational requirements of sports facilities and recreational venues. We are well-equipped to manage and operate a wide range of public venues, ensuring efficient service delivery, safety, cleanliness, and smooth day-to-day operations.

Government Agencies & Defence

UREGI Industries Private Limited undertakes service assignments for government agencies and defence departments, delivering world-class catering, housekeeping, and allied support services. We cater to the needs of departmental staff across various levels, including high-profile and sensitive environments, with a strong focus on discipline, confidentiality, quality, and compliance

Why Choose Us

UREGI Industries Private Limited stands out for its experienced management, trained workforce, and customer-focused approach. With over a decade of industry expertise, we deliver consistent quality, cost-effective solutions, and timely execution across catering, housekeeping, horticulture, and facility services. Our ability to provide customized and turnkey solutions, strict adherence to hygiene and safety standards, and a strong commitment to client satisfaction make us a reliable long-term service partner for diverse industries.

Our Vision

UREGI Industries Private Limited aims to be a trusted partner in delivering world-class catering, housekeeping, horticulture, and integrated support services. By focusing on our core strengths, we help clients operate efficiently and concentrate on their primary business objectives. Our vision is to set high standards in service quality, hygiene, reliability, and operational excellence, while building long-term relationships through consistent performance, innovation, and a strong commitment to client satisfaction.

Our Mission

UREGI Industries Private Limited is committed to providing reliable, cost-effective, and high-quality catering, housekeeping, horticulture, and facility support services. Our mission is to deliver consistent service excellence through skilled manpower, efficient processes, and strict quality standards. We aim to create safe, hygienic, and well-managed environments for our clients while continuously improving our services, embracing innovation, and building lasting partnerships based on trust, transparency, and performance.
